

## Hitachi EX2000-7 Mining Excavator Delivered to Carmen Copper Corporation in Cebu, Philippines

**Cebu, Philippines - April 27, 2024 - Brighton Machinery Corporation (BMC), the authorized dealer of Hitachi construction and mining equipment in the Philippines, has successfully handed over the Hitachi EX2000-7 mining excavator to Carmen Copper Corporation (CCC) at their site in Cebu, Philippines.**

This latest delivery marks a significant milestone in the long-standing partnership between CCC and BMC. CCC has been operating three units of Hitachi EX1900-6 and one unit of EX2600-6, the largest excavator on their site, which was owned in 2015. With plans to expand their operations, CCC has once again chosen Hitachi's latest EX2000-7 mining excavator to support their growth.

"We are honored to have earned the trust and support of Carmen Copper Corporation," said Mr. Junji Fukagawa, sales director of Hitachi Construction Machinery Asia and Pacific. "We are proud to serve them and committed to delivering the highest level of service to our valued customer."

### Hitachi EX2000-7

- by Hitachi Construction Machinery

The Hitachi EX2000-7 mining excavator is designed to provide efficient and reliable performance, even in the toughest mining conditions. Its advanced technology and robust design make it an ideal choice for mining operations like CCC.

With this latest delivery, CCC is poised to increase its productivity and efficiency, and BMC is committed to providing exceptional support and service to ensure the success of their operations.
