

## Introducing New Z-Attachment Line-Up

Hitachi Construction Machinery Asia and Pacific (HMAP) is proud to announce the launch of the Z-Attachment Series - a dynamic new extension of our ZParts and Z-Breaker product families.

This latest line-up introduces a unified brand identity for a broader range of high-performance attachments, developed to meet the evolving demands of the construction industry. Designed with a focus on versatility and ease of use, the Z-Attachment Series delivers comprehensive solutions under one recognizable brand.

Leading the launch is the innovative **ZC Quick Coupler** (*suitable for 1-to-40-ton machines*) designed to enable quick, safe, and seamless attachment changes with minimal downtime. Engineered for durability and performance, the ZC Quick Coupler sets a strong precedent for what's to come.

The series will roll out progressively across the ABD markets, with each product tailored to enhance operational productivity in a wide array of job sites and applications. More detailed specifications and product highlights will be released soon—stay tuned for further updates !

The introduction of the Z-Attachment Series underscores HMAP's continued commitment to innovation, user convenience, and industry-ready performance. More cutting-edge attachments are on the way 😊
